

Cradley Parish Council : Lengthman & Parish Path Patrtnership [P3] Schemes

Monthly Report : June 2015

Dear Councillors ,

This is the first month of operation for our new Schemes after a 9 month gestation period .

Our new Lengthman [Robert Lambert] and I have made a good start on the task in hand . As Scheme Administrator I have started to settle into a routine and Robert is very keen and enthusiastic to learn new skills and contribute to the maintenance and upkeep of our villages .

- Currently , our basic routine is to work together each Friday in the month [weather permitting] .
- It is my job to maintain the databases , reccie the public realm and footpath networks and to plan the work and ensure execution .
- We will be giving priority to work on the basis of dealing with all our jobs in a specific area before moving on to the next location .
- Season , prevailing weather conditions , urgency , hazard responses , etc will be taken into account as appropriate .
- June has seen us in the following areas :

P3 WORK ;

Kingsbridge	CD 35	New gated ,stepped , waymarked access
Chapel Lane	CD 28 ; CD32A	New signposts , waymarking , R&M
Netherley Estate	CD35	New signpost , waymarking
Poundbridge	Cow Field Path	Strimmed path + New footstep+ Refurb signage

PUBLIC REALM :

Brookside	Old PO >	Clear Culvert and Debris accumulations Cutting back overhang veg , clear road debris , strim verges [WIP]
Poundbridge Area		Clear overhang veg at Poundbridge , clear pathways , open up drainage , cut grips , erect security barrier to path side , painting poundbridge and handrails . Generally tidy up the area . WIP for July .
Chapel Lane	Chapel Lane /CD28 Jnctn	: reconstruct bank , relocate salt bin , clear o/h veg and tidy up verges as necessary .
Misc Work		Collection of Roadwork Signage , Equipment and Tools from B-B at Thorn Industrial Park , Rotherwas , Hereford.

Geoff Fielding - Scheme Administrator
