

Cradley Parish Council : Lengthsman & Parish Path Partnership [P3] Schemes

Monthly Report : September 2015

Dear Councillors ,

A reduced programme this month as both our lengthman and myself took our annual holidays mid-month .

A dry spell in early September enabled Robert to complete our R & M programme in the Poundbridge area , including finishing the painting of all the post and hand rails at Poundbridge .

In addition , work has commenced on the maintenance of Kingsbridge which will be painted soon .

We concentrated on PROW work in the Vinesend area during the latter part of September .

In October we hope to continue work on St Katherine's PROW and Lengthman's work in the Kingsbridge areas .

- September has seen us in the following areas :

P3 WORK :

CD-33 , CD36 , CD36C

Around Junction U65628 / U65627 . Here we have repaired stiles , cleared steps , preservative treated stiles , replaced wayside signposts , waymarked , cleared signposts , cut grips , cleared gulleys and trimmed visibility splays .

PUBLIC REALM :

Poundbridge Area

Completion of planned works in the Poundbridge / Brookside areas , incl all handrail R&M . We await HCC / Balfour –Beatty to carry out the reconstruction of the collapsed sections of bank /handrails at Poundbridge . Stored brushwood will be burnt / removed after leaf-fall .

Kingsbridge

Prepn of metal-work , prior to painting , now underway .

St Katherines

Work has begun to remove stored brushwood / timber for the public bonfire due to be held at the Red Lion , Stiffords Bridge .
