**Agenda item - to agree the Examiner's recommended modifications to the NDP -**

TLJ reported that the Parish Council NDP working group and D. Croft, the Parish Council's Chartered Planner, had met on the 18<sup>th</sup> April and had gone through each of the proposed modification in detail. D.Croft had passed his opinion and advised on each of the fifteen modifications proposed by the Examiner. Two of the policies were recommended for deletion because it was considered that the policies did not add anything to the current Core Strategy Policies. For the remaining nine policies it was recommended that there should be minor amendments that in general strengthened the proposed NDP. Everyone in attendance was happy with the proposed modifications and agreed that they should be recommended to the Parish Council for inclusion.

The Chairman requested that TLJ go through each of the fifteen recommendations to clarify them to all Councillors in attendance at the Extra Ordinary meeting and on a proposal by TLJ seconded by GF and carried it was agreed that the modifications be accepted and the Clerk was requested to advise Karla Johnson from Herefordshire Council accordingly.

The Clerk was also requested to advise the Planning Department at Herefordshire Council that the NDP had now reached the stage where it is a material consideration for any planning applications which are currently valid.

It was also proposed that David Croft write up the amendments and modifications into the NDP at a cost of approximately £330. which would be covered by the NDP Grant which had recently been offered and accepted.

There being no further business the Chairman declared the meeting closed at 7.20pm
